WORKING PAPER

P: 8922
V: 095
D: 890727
S: 01

SUMMARY OF INFORMATION

The target is dark bluish gray, moving, smooth, narrow, curved,

SKETCH, P. 3
hollow and made of an (AI BK) "interesting material with an
aesthetic/unique smooth feel." (AOL BK: stealth). In the area

around it is a tall, brown mountain with an old small blocky

SKETCH, P. 4, TOP
structure on the side. The target is in an area which is

"sheltered." The mountain is one of several that form a curved

SKETCH, P. 4. BOTTOM
pattern when viewed from above. More than fifteen miles from the

SKETCH, P. 7
target is a clump of blocky structures in a valley. Location of
the target is shown on an attached map.
